## Tonk Talk ...

### WE NEED VOLUNTEERS FOR ONE NIGHT FOR THE MASTER

This Tuesday, Nov. 21, at 5:45 p.m. we need you! Yes, you! We need you to help with our service night, at Norval Park, One Night for the Master (1 N. 4 T. M.). There is something you can do, we have assignments for everyone. You can choose to be on the prayer team, encouragement team (sending cards), maintenance team, kids' team, or another team. There is something for everyone to do.

One team we could really use your help with is our visiting team. We have more people needing to be visited such as our homebound members, our guests to the worship services, and members who have missed worship services, than those who are coming out to visit. We have had about 8 people, (4 teams) coming to visit on 1 N. 4 T. M. If you could come and help out by visiting it would be greatly appreciated and increase our influence for Christ even more.

Remember there is power in a visit. I heard a true story about a group of ladies who went to the home of a delinquent lady member and announced that they had come to stay until she decided to come back to services. I do not know how long they stayed, but the visit was a success. The delinquent member came back into fellowship with the congregation.

Flavil Yeakley, stated this when he talks about the power of a visit, "When a person has no meaningful personal contact with the congregation in the process of his conversion, he is likely to feel no meaningful sense of identification with his congregations after conversion and therefore likely to drop out."

"Like moths, people gravitate to light and warmth." You can be that light and warmth to someone who is experiencing the dark and coldness of the world. We can be that person who helps other members stay faithful to the Lord and help them get to Heaven. Will you come out and go visit with us this Tuesday, for our 1 N. 4 T. M.

**Thank you, Mark T.**
