## PEACE WITH CHRIST

**John 16:33**

*These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."*

When we walk with Jesus we have peace in our life but we truly have to walk with Him. That means giving Him all the glory in our life. We will still have Satan trying to trip us up and putting sin at every corner but in Christ we have peace. That means we have Christ helping us to stay away from sin that pops up because we are living a new life through Him and only our Lord can protect us from Satan's tricks. If we don't have peace in the Lord then we are living in a world that doesn't care about you. People in that type of world are out for what's best for them and them only. They won't help you or protect you from Satan; they will actually throw you to Satan because they think that's the only way. We know differently and we have Jesus with us to protect us and give us peace. Love and prayers church.

In Him  
-Donnie-

## "SAM" ANTICS

Prayers have been answered, excitement is growing, and anticipation is filling our hearts. In about a month and a half the Tonkery family will be taking their place among us. September 18 will begin their work here at Norval Park and nearly 3 years of waiting will give way to finally having a full-time preacher working with us once again.

No one could be happier than Marty and I as these events unfold. Our love for you continues to grow and flourish, and our two years with you have been about as wonderful as can be. We came to you knowing that the best we could do was three-fold:

1. We knew we were not the long term answer to your ongoing needs, and embraced the temporary nature of the work here.
2. We prayerfully worked to stabilize and equip the membership here for whoever would eventually serve as your minister.
3. We sought to love you and to build upon the atmosphere of love and care that was already in place.

To the degree that we have been able to do those three things we hope to step aside leaving Norval Park even better than it was before our arrival. I will be meeting with the elders after vacation to discuss the possibilities of continuing to work with you on a limited basis and desire your prayers to this end. God bless all of you as we await whatever He has planned for us all!
